Special rules valid during Fly&Grill Ambri 08.08.2026

- Expect approx. 100 aircrafts attending the fly-in. Safety first!
- Program:

Arrivals:	0800LT - 1330LT
Break:	1330LT - 1400LT
FMA acro show:	1400LT - 1410LT
Departures:	1415LT - 1700LT

- Due to heavy traffic and for safety reason, no departure before 1330LT and no landing after 1415LT (except previous authorization).
- During fly-in, AFIS is active (not ATC). Keep frequency transmission short.
- Preferential landing runway is RWY 28.
- After landing taxi straight on the runway to the parking.
- Straight-in prohibited. For those coming from South, proceed over the field and join downwind for RWY 28.
- For departure, preferential runway is RWY 10.
- Only grass parking available, except for special guests who need concrete.
- Only 1 taxiway available.
- For logistic reason, run-up is mandatory at the parking. Marshaller will provide best support.
- Bring your own tow-bar.
- Do not activate barrier remote control. The barrier will remain closed.
- No fuel.
